

Welcome to the VariQuest® Community

Your Success Starts Here

Dear Educator,

We at Premier Impressions, Inc. want to personally thank you for investing in the VariQuest® Visual and Kinesthetic Learning Suite and welcome you to our VariQuest Community!

It has been an honor to serve schools in Colorado and Wyoming since 1995 with the VariQuest tools and we're looking forward to serving you.

We take pride in being more than just hardware with the value we bring to our user community and this Welcome Kit is your one-stop shop for unleashing all the possibilities **with your VariQuest investment!**

Here are some of the resources you'll find in your Welcome Kit-

- Exclusive access to the VariQuest Resource Center
- Training & Professional Development
- Classroom Content & Software
- Supply Information
- Customer Care

I encourage you to become familiar with your Welcome Kit, tap into the free resources we provide, share this kit with others in your school, and enjoy your user experience. At VariQuest, we applaud you for all you do and are delighted to make it our mission to support yours!

Sincerely,

Julie Taylor
Owner of Premier Impressions, Inc.
Customer Care Representative

We're at Your Service!

VariQuest® Resource Center

Free Resources at Your Fingertips

When you become part of the VariQuest community, your success is our #1 goal and we've got the resources to help maximize your investment. The VariQuest Resource Center is an exclusive website for valued customers like you that take your assets to a new level. Register, invite others, peruse the site, and unleash all the possibilities VariQuest has to offer!

Get Started-

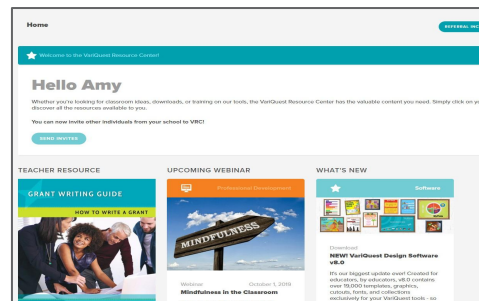

There are 3 easy ways to register for the VariQuest Resource Center-

1. Visit <https://resources.variquest.com/register> and fill out your information. Have your product serial numbers handy!

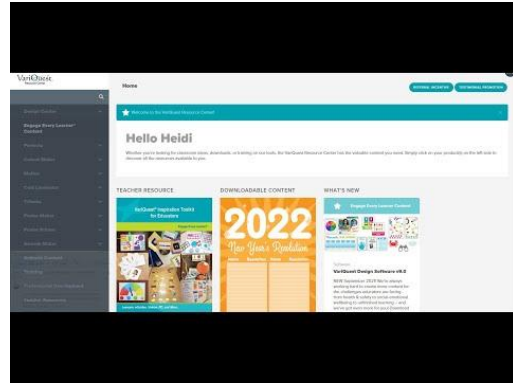

2. Look for the flyer included with your VariQuest tools and/or supplies and use the registration code provided when registering, allowing you to bypass serial number entry.

3. Upon your registration, you will have the option to send invitations to others at your school, either via individual email address entry or uploading a spreadsheet. They'll then receive an email invitation to be added to your school's group account, maximizing the value and usage of your tools!

[VariQuest® Design Center Software –](#)

Download our proprietary software for free and unlock endless possibilities. Plus give teachers the freedom to create posters, banners, awards and stickers from the convenience of their own classrooms by installing the software on their own workstations without restriction.

(Note the VariQuest software is not compatible with MACs)

[Engage Every Learner™ Content –](#) Our mission is to engage every learner in reaching their potential, so we've made it our goal to continuously refresh our content to transform your school.

[VariQuest Product Pages –](#) Equipped with free downloadable content, live training webinars and videos, tech info and supplies, each product page gives you the resources you need to maximize your investment.

[Professional Development –](#) Strengthen your practice throughout your career with VariQuest Professional Development. We offer webinars and recordings that cover an array of relevant topics that focus on your professional goals in education, and we provide a certificate of completion to help you track your progress. Partnered with industry experts, your career growth is our passion.

[Teacher Resources –](#) We've co-developed and curated a variety of additional resources to make your classroom more interactive, increase your understanding of relevant educational topics, and access extra content to use with your VariQuest® tools. Here you will find helpful ebooks, whitepapers and lesson ideas to set you up for success.

Setup & Training

Transform Your Learning Environment

Product Setup:

1. Unbox your equipment and set it up in a desired location.
2. Make sure to keep the boxes your equipment came in if you need to transport or move it at any time.
3. Review your packing list to ensure you've received everything, and nothing appears to be damaged (*In case of an incident, please report it to Premier Impressions within 3 days at 303-470-5439*).
4. Consult the Assembly Instructions & Quick Start User Guides, provided with each product and also found on the [VariQuest® Resource Center](#), for specific setup requirements and supply loading.
5. Watch the available training videos on the [VariQuest® Resource Center](#) for helpful setup tips.

Product Training:

With our Live Product Training Webinars and On-Demand training videos, *YOU* are in charge. The trainings include everything you need to know, such as product basics, supply loading, maintenance tips, and how to use the Design Center Software. With our training model it allows flexibility in scheduling, makes it easy for refreshers, provides initial training during times of staff turnover, and is consistent.

1. Register for a live training webinar by visiting resources.variquest.com/training.
2. Select a date/time that works best with your schedule and click to sign up.
3. Upon registration, you will receive a confirmation email with information about the webinar and login instructions.
4. At the time of training, simply click on the link in your confirmation email to join the live event.

We also offer ON-DEMAND training videos just hit play on the videos by visiting <https://resources.variquest.com/training>

Let's Create!

Explore the Possibilities

Content Guides – Check out our downloadable flipbooks on the VariQuest® Resource Center where you can search all Perfecta®, Motiva™ and Cutout Maker templates, shapes and graphics organized by category and product, so you can plan ahead what you want to create. Peruse the guides, print them as a PDF, and share the guides for teacher inspiration. Then start creating with our VariQuest software which contains over 19,000 interactive templates, graphics, fonts, cutouts, collections and more!

Perfecta® Series Downloadable Content – We've just made it even easier for you! In addition to the vast array of poster and banner templates found in the VariQuest software, we've designed a variety of thematic and academic posters & banners available to download and print for free!

Cutout Maker Downloadable Content – We've got the same great offer for the Cutout Maker! Check out the additional shape packs to download for free and add to the existing collection of shapes available in the VariQuest software. Looking for added inspiration? Here you will also find [Learning Module Activity Guides](#) for download that correlate the VariQuest tools with classroom instruction. Each Learning Module contains comprehensive supplemental activities for your busy PreK - 6th grade teachers!

Cutout Maker Custom Shape Program – Do you want the ability to cut your school's mascot on your Cutout Maker, or a logo designed by a student? With our Custom Shape Program, you have the freedom to personalize your walls and bulletin boards with shapes that are tailored to your school. Click [here](#) and follow the 3 simple steps to get started
